Dan Bingman

User Experience Designer | Design Systems | B2B E-commerce

Mentor, OH (open to remote) | danbingman@gmail.com | portfolio.bingman.xyz

Summary

UX designer with 4 years leading design for BDIExpress.com, a B2B industrial-supply e-commerce platform on SAP Commerce Cloud with 70,000+ monthly visitors. Builds and documents design systems, runs accessibility audits, and designs for complex purchasing tasks like product comparison and product detail pages. Brings 10 years of stakeholder, budget, and program management from education and 5 years of hands-on IT support to every project.

Skills

- **UX:** user research, usability testing, competitive analysis, user flows, wireframing, prototyping, responsive and mobile-first design, accessibility (WCAG) audits
- **Design systems:** component documentation (anatomy, states, breakpoints), design tokens, Figma variables, annotation and developer handoff
- **Tools:** Figma, Axure, Adobe Creative Suite, Jira, Notion, Google Analytics, AI-assisted design and research tools
- **Front end:** HTML, CSS/SCSS, JavaScript, PHP, WordPress, GitHub, Bitbucket, SAP Commerce Cloud (Spartacus)

Experience

User Experience Designer, BDI

Oct 2022 – Present

- Lead UX design for BDIExpress.com, a B2B industrial-supply e-commerce platform with 70,000+ monthly visitors, partnering directly with the CEO and cross-department stakeholders.
- Built and documented a reusable design system covering component anatomy, states, token mapping, and breakpoints, reducing revisions at developer handoff.
- Ran a competitive gap analysis of the homepage against four national MRO distributors and developed new homepage user flows.
- Used AI tools to speed up wireframe and prototype iteration and early research synthesis.

IT Technical Support Technician, BDI

Jul 2019 – Oct 2022

- Diagnosed and resolved software, hardware, and connectivity issues, keeping detailed support records.

- Built tools for data analysis and asset management and automated workflows with Power Automate and PowerShell.
- Administered users and systems through Active Directory and Microsoft admin consoles.

Productivity Consultant, Trainer & Solutions Analyst, Vitalyst

Aug 2017 – Jul 2019

- Analyzed client usage of support services and reported insights to improve adoption.
- Consulted on-site with Fortune 500 clients.
- Trained new employees on proprietary software and Microsoft applications.

Band Director & Music Teacher, Richmond Heights Local Schools

Jul 2013 – Jul 2017

Band & Choir Director, Marching Band Director, Ledgemont Local Schools

Aug 2007 – Jul 2013

- Managed relationships with administration, faculty, and parent booster organizations, including annual budget planning.
- Ran the district website as site manager, maintaining content and building online forms for school events.
- Directed recruitment, retention, fundraising, and event logistics for band, choir, and marching band programs.
- Collaborated with teachers and administrators to support students with special needs.

Education & Certifications

- Google UX Design Professional Certificate, Coursera
- Programming and Development, Post-Degree Professional Certificate, Cuyahoga Community College
- Bachelor of Music in Education, Bowling Green State University
